Dear Club Member/Mother of the Year:

Congratulations on receiving this honor from your local club. I understand what it means to be recognized by your club for the hard work, caring, and especially time spent on your club activities.

The Indiana Federation of Mothers of Twins Club would like to honor your achievement at the 2009 Convention, to be hosted by Southside Parents of Multiples, in June. Would you please fill out the attached form so I have accurate information about your award?

I look forward to hearing from you before May 31. Also, please ask your current club president to send a note with your form. I'd like to hear, in her words, why you've been selected by your club.

Again, congratulations! Let me know if you have any questions or concerns about your form and choice of award.

Multiple Blessings,

*Joannie Prusa*
